# 3 Investigation Result Breakdown

### 3.1 Card reader TWN4 MultiTech 2 LF HF with 250mm cable

The card reader body can fit within the guides of Card reader cover without stress.

With the inner cover there is no conflict at all.

The cable length is good to fit to SOP's USB slot.

## 3.2 Card reader TWN4 Slim

The width and depth fit within the guides, however it cannot be firmly fixed because it is too thin, even though the guides are tightly screwed.
